

LOTANNA MICAH NNEJI, PhD

Department of Ecology and Evolutionary Biology,
Princeton University, New Jersey, USA.
Email: lnneji@princeton.edu, lotannanneji@gmail.com
Tel: +1 609 285 9421

ACADEMIC HISTORY/POSITIONS

- 2021 **Postdoctoral Research Associate;** Department of Ecology and Evolutionary Biology, Princeton University, Princeton, NJ, USA. Advisor: Professor Robert M. Pringle.
- 2018-20 **Postdoctoral Research Assistant;** Amphibian and Reptile Unit, Kunming Institute of Zoology, Chinese Academy of Sciences, China. Advisor: Professor Jing Che.
- 2015-18 **PhD Student;** Amphibian and Reptile Unit, Kunming Institute of Zoology, Chinese Academy of Sciences, China (University of Chinese Academy of Sciences, China). Advisors: Professors Jing Che, Robert Murphy, Adiaha A. A. Ugwumba.
- 2014-15 **Teaching Assistant;** Department of Zoology, University of Ibadan, Ibadan, Oyo State, Nigeria. Supervisor: Professor Adiaha A. A. Ugwumba
- 2011-12 **Graduate Assistant** (National Youth Service Corp); SIWES Unit, Office of the Vice Chancellor, University of Abuja, FCT, Nigeria. Supervisor: Professor I. D. Umar.

EDUCATION

- 2018 **PhD Genetics**
University of Chinese Academy of Sciences, China.
- 2015 **MSc Zoology (Ecology and Environmental Biology) (PhD Grade; CGPA: 6.70/7.0)**
University of Ibadan, Ibadan, Oyo State, Nigeria.
- 2011 **BSc Biology (First Class Honors; CGPA: 4.71/5.0)**
University of Abuja, Federal Capital Territory, Abuja, Nigeria.
- 2005 **Diploma Science Laboratory Technology (Distinction; CGPA: 3.91/4.0)**
Federal Polytechnic Oko, Anambra State, Nigeria.

OTHER EDUCATIONAL TRAINING WITH CERTIFICATES

- 2021 **EDGE of Existence Conservation Leadership Course**, organized by Zoological Society of London.
- 2020 **Science Telling Bootcamp**, organized by US National Geographic

- 2019 Exploring Conservation Online Programme organized by United for Wildlife and US National Geographic on the following certified courses:
(1) *Introduction to Conservation*
(2) *Prioritizing Species and Spaces*
(3) *Conservation Project Planning*
(4) *Scientific Expeditions for Conservation*
(5) *Understanding Illegal Wildlife trade*
(6) *Ocean challenges and solutions.*
- 2019 *Introductory E-course on Climate Change:* organized by United Nations Institute for Training and Research, and One UN Climate Change Learning Partnership.
- 2019 *Specialized module on Human Health and Climate:* organized by United Nations Institute for Training and Research, One UN Climate Change Learning Partnership and World Health Organization.
- 2019 *Specialized module on IUCN Red List Assessments:* organized by International Union for Conservation of Nature – IUCN.
- 2019 *Making moves course on creating conservation movements:* organized by Brooke Tully.

FELLOWSHIP, HONORS, AWARDS, DISTINCTIONS, SCHOLARSHIPS

- 2021-24 Presidential Postdoctoral Fellowship, Princeton University, NJ, USA.
- 2019 Full Scholarship discount to the Making Moves: Creating Conservation Movements online course.
- 2015-18 Chinese Government Scholarship for Ph. D Programme -University of Chinese Academy of Sciences, China.
- 2015 Best Graduating M. Sc Student- Ecology and Environmental Biology Unit, Department of Zoology, University of Ibadan, Nigeria (CGPA: 6.70/7.0)
- 2011 Overall Best Graduating B. Sc (Hons) Student of the University- University of Abuja, Nigeria (CGPA: 4.71/5.0).
- 2005 Best Graduating ND Student- Department of Science Laboratory Technology, School of Applied Sciences and Engineering, Federal Polytechnic, Oko, Nigeria (CGPA: 3.91/4.0)

GRANT UNDER REVIEW

2022: Shortlisted for Future Conservationist Award by the Conservation Leadership Programme for the project '*Conservation status of a poorly known and endemic lizard (Ondo Forest gecko) from Nigeria*'. (Total amount awarded: \$15000).

GRANTS AWARDED (* = Main Applicant; + = Co-Applicant)

2022 – 23 +Save our Sea Grant to support '*Ecology and conservation of highly threatened and poorly known freshwater stingray (Fontitrygon ukpam) in Nigeria*'. (Total amount awarded: \$9900).

2021-24 +International Scientific Coordination Network - South (GDRI-Sud) to support '*West African Marine Fish DNA Barcoding Network (WAMBA-net)*'. (Total amount awarded: €60000).

2021-22 +First Rufford Small Grant to support '*Distribution, Conservation Status and Environmental Correlates of a Poorly Known and Most Threatened Stingray (Fontitrygon margarita) in Nigeria*'. (Total amount awarded: £6000).

2021-22 *British Ecological Society Grant to support '*Distribution Pattern and Conservation Status of two poorly known and endemic lizards of Nigeria - Cynisca gansi and Cynisca kigomensis*'. (Total amount awarded: £4995).

2020-21 *Mohamed bin Zayed for Species Conservation to support '*In search of poorly known and most threatened endemic lizards of Nigeria: Cynisca gansi and Cynisca kigomensis*'. (Total amount awarded: \$9000).

2020-21 *The Audubon Naturalist Society grant under Crowder-Messersmith Conservation Fund to support '*Community-based conservation outreach programmes for the protection of the threatened amphibian and reptile populations of Gashaka Gumti National Park, Nigeria*'. (Total amount awarded: \$3000).

2020-21 *US National Geographic BioBlitz event grant to support '*BioBlitz project on amphibian conservation and studies at the Cross River National Park, Nigeria*'. (Total amount awarded: \$2000).

2020-22 *EDGE (Evolutionarily Distinct and Globally Endangered Species) Fellowship and Grant for the project '*Status and Conservation of Cameroon Slippery Frog (Conraua robusta) in Nigeria*' by Zoological Society of London and US National Geographic. (Total amount awarded: £10000).

2020-21 *Second Rufford Small Grant to support '*Ecological studies and community-based conservation activities for amphibians and reptiles of Gashaka Gumti National Park, Nigeria*'. (Total amount awarded: £6000).

2018-20 *US National Geographic Early Career Grant for the project '*Diversity, distribution and Conservation of amphibians in Cross River National Park, Nigeria, Africa*'. (Total amount awarded: \$9900).

- 2018-19 *Idea Wild Grant for the project ‘*Biodiversity Assessment and Conservation of Amphibians and Reptiles of Gashaka Gumti National Park, Nigeria*’.
- 2018-19 *Mohamed bin Zayed for Species Conservation to support ‘*Conservation of critically endangered frog Sclerophrys perreti from Idanre Hill, Nigeria: Approaches from species action plan and habitat restoration*’. (Total amount awarded: \$8493).
- 2018-19 +Whitley Wildlife Conservation Trust to support ‘*Diversity and conservation of forest butterflies of Cross River National Park, Nigeria*’. Total amount awarded: \$500).
- 2017-18 *First Rufford Small Grant to support ‘*Biodiversity Assessment and Conservation of Amphibians and Reptiles of Gashaka Gumti National Park, Nigeria*’. (Total amount awarded: £4900).

PEER-REVIEWED PUBLICATIONS (* = Equal first co-author; + = Corresponding author)***i. In Preparation***

1. **Lotanna M. Nneji**, Josué A. R. Azevedo, Oyetola O. Oyebanji, Liang Ma, Paul R. Elsen, Segun O. Oladipo, Gabriel Salako, Robert Puschendorff, Robert M. Pringle (2021). Patterns of species richness, endemism and turnover of endemic amphibians of African Guineo-Congolian rainforest. Proposed Journal of Submission- *Global Ecology and Biogeography* [Available on Request].
2. Adeola Oluwakemi Ayoola, **Lotanna M. Nneji**....Adeola Charles Adeniyi, Babafemi George Ogunjemite and Dong Dong Wu. Comparative mitochondrial genome analyses of Guenon monkeys from Nigeria with notes on its phylogenetic positions. Proposed Journal of Submission- *PeerJ* [Available on Request].

ii. Under Review

1. Yan-Nan Liu, Rong-Mei Chen, Qi-Ting Pu, **Lotanna M. Nneji**, Yan-Bo Sun (2022). Expression Plasticity of Transposable Elements is Highly Associated with Organismal Readaptation to Ancestral Environments. *Genome Biology and Evolution*.

iii. Published articles

1. Adeniyi C Adeola, Foluke E Sola-Ojo, Abel O Oguntunji, **Lotanna M. Nneji**, Muslim K Ewuola, Semiu F Bello, Yusuf A Opeyemi, Wasiu A Olaniyi, Adeosun T Adesoji, Oscar J Sanke, Daniel L Ebiakpo (2022). Genetic diversity and population structure of Muscovy duck (*Cairina moschata*) from Nigeria. *PeerJ*. Accepted for publication.
2. Segun O. Oladipo, **Lotanna M. Nneji**, Akinkunle V. Adeniyi, Olutomi A. Adeyemi-Ale and Kehinde M. Adelakun (2022). Environmental Correlates of Some Selected Fish Species in the Jebba Dam, North-Central Nigeria. *Journal of Tropical Ecology*. pp. 1 – 11, <https://doi.org/10.1017/S0266467421000511>

CONFERENCE/WORKSHOP ATTENDED

- | | |
|------|---|
| 2021 | EDGE of Existence Conservation Leadership Course Held remotely via computer 23rd November - 3rd December 2021, Zoological Society of London |
| 2020 | Conservation Tool Course, held at the Southern African Wildlife College, Organized by Zoological Society of London in conjunction with US National Geographic, from January-February 2020. |
| 2018 | The Molecular Tree of Life: From Coalescence to Comparative Genomics. Organized by Jiangsu Normal University, China. From May 27- 31 st 2018. |
| 2016 | The International Biogeography Society Special Meeting. Theme: ' <i>The Biogeography of Ecology</i> '. Organized by International Biogeography Society, in Beijing, China from May 4 – 8, 2016. |
| 2015 | 2nd International Conference on Scientific Research and Innovation. Theme ' <i>Scientific Research and Innovation in Nigeria</i> ' Organized by Premier Faculty of Science, University of Ibadan, Nigeria from 16 -20 March 2015. |

2014 9th Annual National Conference of Zoological Society of Nigeria: Theme '*Wildlife, Zoonoses, Environmental Management and Food Security in a Developing Economy*' organized by the Department of Zoology, Faculty of Science, University of Ibadan, Nigeria from November 30 - December 03 2014.

PAPERS PRESENTED IN CONFERENCE

2019: Lotanna M. Nneji, Adeniyi Charles Adeola, Jie-Qiong Jin, Adiaha A. A. Ugwumba, Min-Sheng Peng, Robert W. Murphy, Jing Che (2019). **Phylogeography of Red Headed Rock Agama (*Agama agama*) from Nigeria.** Featured in Joint Meeting of Ichthyologist and Herpetologist, July 24-28th 2019. (Unavoidably absent for oral presentation but was featured in the conference book of abstract)

2017: Adeola A. C., Olufunke O. O., Bukola M. O., Temilola, O.O., Bamidele, B., Sunday, C. O., **Nneji, L. M.**..... Min-Sheng P., Zhang Y. P. (2017). *Mitochondrial DNA, Y-Chromosome sequences, and MC1R sheds light on the ancestry of Nigerian indigenous pigs.* A paper presented in the 36th International Society for Animal Genetics Conference, Dublin, Ireland, 2017.

2016: **Nneji, L.M.**, Adeola, A.C., Ugwumba, A.A.A, Fang, Y. and Che, J. (2016). *Species identification and biodiversity studies of Herpetofauna of Nigeria using Molecular Data.* A poster presentation in International Biogeography Society Special Meeting, Beijing, China, 2016.

GRADUATE STUDENT ADVISED

2018 to date: Babatunde E. Adedeji; PhD Student; Department of Zoology, University of Ibadan, Nigeria (*Co-assisted Dr. A.O. Adeyi*).

2018-20: Md Mizanur Rahman; PhD Student; Kunming Institute of Zoology, Chinese Academy of Sciences, China (*Co-assisted Professor Jing Che*); 2018- 2020.
Current position: Postdoc Fellow at Chonnam National University, South Korea.

TEACHING:

2014-2015: Teaching Assistant, General Biology (Department of Zoology, University of Ibadan, Nigeria).

2014-2015: Teaching Assistant, Animal Physiology (Department of Zoology, University of Ibadan, Nigeria).

2010-2011: Co Instructor, General Biology (Department of Biological Sciences, University of Abuja, Nigeria).

FIELD RESEARCH EXPERIENCE

2021: Field survey for the collection of faecal samples of mammals from protected areas in Nigeria.

- 2021: Field survey for the collection of faecal samples of mammals from protected areas in Cameroon.
- 2021: Field survey of marine stingrays in coastal waters in Lagos State, Nigeria.
- 2021: Field survey of endemic worm lizards of Nigeria.
- 2020: Ecological and social science survey of an evolutionarily distinct and globally endangered (EDGE) species - the Cameroon slippery frog in Nigeria
- 2019: Field survey of non-human primates in Cross River National Park, Gashaka Gumti National and Idanre forest reserves in Nigeria.
- 2018-19: Field survey of critically endangered and endemic frog – *Sclerophrys perreti* from Idanre hills (UNESCO World Heritage Site), Nigeria.
- 2018-19: Field collections of amphibians of Afi forest reserve and Ikpan forest ecosystems, Nigeria.
- 2018-19: Field collections of amphibians and reptiles of non-protected forests in southern Nigeria.
- 2018: Field collections of wild and domesticated greater cane rats from Nigeria.
- 2018: Field collections and survey of amphibians of Idanre forest reserve, Nigeria.
- 2017: Field sampling of helmeted Guinea Fowl (*Numida meleagris*) from Nigeria.
- 2017: Field collections and survey of Nigerian lizards within the genus *Agama* from 26 states in Nigeria.
- 2017-20: Field collections and survey of amphibians and reptiles of Oban (UNESCO World Heritage Site) and Okwango Divisions of Cross River National Park, Nigeria.
- 2017-18: Field collection of moths and butterflies from South-eastern Nigeria.
- 2016-17: Field collections and survey of amphibians and reptiles of Gashaka Gumti National Park, Nigeria.
- 2016-18: Field collection of freshwater fishes from different river bodies in Nigeria.

COMMUNITY SERVICE PROGRAMMES

- 2020: Conservation education and outreach programmes within the support community zones of Gashaka Gumti National Park Nigeria on the conservation needs of animals including amphibian and reptiles in the park.
<https://www.rufford.org/projects/lotanna-micah-nneji/ecological-studies-and-community-based-conservation-activities-for-amphibians-and-reptiles-of-gashaka-gumti-national-park-nigeria/>

- 2018-20: Capacity building and training of rangers at the Cross River National Park Nigeria on the techniques of collection, identification and study of amphibians and reptiles in the park.
- 2017: Capacity building and training of rangers at the Gashaka Gumti National Park Nigeria on the techniques of collection, identification and study of amphibians and reptiles in the park. https://www.rufford.org/projects/lotanna_micah_nneji
- 2018: Conservation education and outreach programmes in the secondary schools within the support community zones of Gashaka Gumti National Park Nigeria to enlighten youngsters on the conservation needs of animals including amphibian and reptiles in the park. https://www.rufford.org/projects/lotanna_micah_nneji
- 2018: Conservation education and outreach programmes within a community in Gashaka Gumti National Park Nigeria to enlighten public on the need to conserve herpetofauna. https://www.rufford.org/projects/lotanna_micah_nneji.

SERVICE TO THE BROADER SCIENTIFIC COMMUNITIES

Grant Review for: *British Ecological Society Grant (reviewed five grants).*

Editorial board member: *Mitochondrial DNA Part B Resources*

Peer-reviewed for (13 journals): *African Journal of Ecology; Aquatic Conservation: Marine and Freshwater Ecosystems; Brazilian Journal of Biology; Bioremediation Journal; Food Control, Food Webs; International Journal of Environmental Research and Public Health; Journal of Arid Environments; Manila Journal of Science; Mediterranean Botany; PeerJ; Plants (MDPI); Scientific Reports.*

SOCIETY MEMBER

- i. Member, British Ecological Society
- ii. Member, International Biogeography Society
- iii. Member, Zoological Society of Nigeria
- iv. Member, Sigma Xi – Scientific Research Honor Society, US
- v. US National Geographic Explorer
- vi. PhotoArk EDGE Fellow (Zoological Society of London)

REFEREES: *Available on request*
